And we'll do it with the utmost integrity, and in an environment where everyone is seen, heard and feels like they belong.

Join Team Amex and let's lead the way together.

Amex Flex:

We back our colleagues with the support they need to thrive, professionally and personally. That's why we have Amex Flex, our enterprise working model that provides greater flexibility to colleagues while ensuring we preserve the important aspects of our unique in-person culture. Depending on role and business needs, colleagues will either work onsite, in a hybrid model (combination of in-office and virtual days) or fully virtually.

Business Overview:

This position is in Sales and Business Enablement (SABE): Platform, Capabilities & Incentives (PC&I), is an Enterprise Utility that provides service support to organizations across the company. SABE PC&I supports 20+ diverse platforms and 25k+ users (Sales, Marketing, Analytical) across the Enterprise. It plays a pivotal role to drive critical aspects of platform & product lifecycle (product management, testing, Data quality & servicing), with a strong focus on enhancing customer experience & adoption. SABE PC&I vision is to enhance user experience & agility for Enterprise Platforms at optimized cost. In summary, the SABE Platform, Capabilities & Incentives (PC&I) organization mirrors career opportunities which may individually belong to different Business Units within American Express.
