Amex Flex:

We back our colleagues with the support they need to thrive, professionally and personally. That's why we have Amex Flex, our enterprise working model that provides greater flexibility to colleagues while ensuring we preserve the important aspects of our unique in-person culture. Depending on role and business needs, colleagues will either work onsite, in a hybrid model (combination of in-office and virtual days) or fully virtually.

Business Overview:

This position is in Sales and Business Enablement (SABE): Reporting Insights & Operations (RIO), is an Enterprise Utility that provides reporting & insights services to 4 revenue generating business units across the Enterprise. The team plays a pivotal role, in creating & delivering relevant and insightful reporting that enables the business teams to understand the drivers of the performance (of sales colleagues, markets, business segments, benefits and membership rewards program) and effectively leverage data to plan & support business growth strategies. SABE RIO vision is to be "Best in class CoE, enabling business performance through accelerated self-serve Reporting and Actionable Insights, delivered efficiently". In summary, the SABE organization mirrors career opportunities which may individually belong to different Business Units within American Express.

Job Responsibilities:

The role provided will be Reporting & Data Insights. Key role requirement and skills are outlined below:

Reporting and Data Insights – Reporting & Insights products, Influence Data & Platform Strategy, Self Service Dash boards. Key Skills: Hive, SQL, Python, Tableau and Power BI.

Generally, the role will entail the following responsibilities:

- Ensure timely & accurate delivery of reports and insights for sales teams by defining appropriate constructs & determining suitable approaches to build, publish and track performance.
- Deliver performance reporting & analytical data support to business units and individual scorecards, reviews & yearly processes (Target setting, Portfolio Alignment, Benefits Refresh)
- Provide forward looking trends, predictions, triggers that enhance sales force productivity.

- Engage with key stakeholders to drive initiatives to enhance sales experience.
- Automate and standardize reporting processes
Ensure the processes that are crafted and implemented have strong value proposition for the business and long-lasting usefulness.
- Build innovative solutions and resolve complex business problems, using leading technologies like, Big Data, Java, Hive, Python, SQL, Salesforce, Tableau, etc.
- Innovate with a focus on developing newer and better approaches using big data & machine learning.

Qualifications and Skills Required:

- The candidate must earn bachelor's or master's degree in computer science, Computer Engineering, or other related technical field by June/July 2026.
- Ability to drive project deliverables to achieve business results.
- Ability to work efficiently in a team.
- Strong communication and interpersonal skills.
- Agility to learn and work independently with complex and unstructured initiatives.
- Analytical thinking with Data handling, reporting and data research/data mining skills.
- Ability to integrate globally with Cross-Functional Business Partners.
- Knowledge of MS Office – Power Point, Excel and Word.
- Familiarity with Design Thinking, Six Sigma, LEAP and / or LEAN continuous process improvement techniques will be an added advantage.

Job Location: Hybrid (Gurgaon)

American Express is an equal opportunity employer and makes employment decisions without regard to race, color, religion, sex, sexual orientation, gender identity, national origin, veteran status, disability status, age, or any other status protected by law.

Offer of employment with American Express is conditioned upon the successful completion of a background verification check, subject to applicable laws and regulations.

Campus Benefits

We back our colleagues and their loved ones with benefits and programs that support their holistic wellbeing. That means we prioritize their physical, financial, and mental health through each stage of life. Benefits include:

- Competitive base salaries
- Flexible work arrangements and schedules with hybrid and virtual options with Amex Flex
- Free access to global on-site wellness centers staffed with nurses and doctors (depending on location)
- Free and confidential counselling support through our Healthy Minds program Career development and training opportunities

At American Express, you'll be recognized for your contributions, leadership, and impact—every colleague has the opportunity to share in the company's success. Together, we'll win as a team, striving to uphold our company values and powerful backing promise to provide the world's best customer experience every day. And we'll do it with the utmost integrity, and in an environment where everyone is seen, heard and feels like they belong.
