

Decision Analytics Associate

Pune | Gurugram

ZS is a place where passion changes lives. As a management consulting and technology firm focused on improving life and how we live it, we transform ideas into impact by **bringing together data, science, technology** and **human ingenuity** to deliver better outcomes for all.

Here you'll work side-by-side with a powerful collective of thinkers and experts shaping life-changing solutions for patients, caregivers and consumers, worldwide. ZSers drive impact by bringing a **client-first mentality** to each and every engagement. We partner collaboratively with our clients to develop custom solutions and technology products that create value and deliver company results across critical areas of their business. Bring your curiosity for learning, bold ideas, courage and passion to drive life-changing impact to ZS.

Where
passion
changes
lives

Decision Analytics Associate

What you'll do

Associates in the **Decision Analytics** team

Develop advanced statistical models that relate marketing or sales activities to financial results.

Simulate the impact of a client's future marketing or sales activities on their future real-world results.

Leverage optimization techniques to guide clients and ZS teams to make the best decisions. Design custom analysis tools in applications such as Visual Basic, MS Excel, MS Access, SAS and ZS proprietary software. Synthesize and communicate results to clients and ZS teams. Collaborate with client and ZS teams to implement solutions. Gain immediate responsibility for project deliverables.

Take initiative to advance your analytic and problem-solving skills and train others at ZS

What you'll bring

- Bachelor's degree with specialization in Computer Science, IT or other related disciplines
- Demonstrated record of academic success
English fluency (fluency in at least one European or Asian language desired)
- Demonstrated record of academic success
- Strong work ethic and personal initiative
- Structured problem-solving skills
- Focus on quality and detail orientation
- Excellent organizational and task management skills
- Strong communication and business acumen
- Ability to work across global cross-office teams
- Client service orientation
- High motivation, good work ethic, maturity, and personal initiative

A great place to work

We earn multiple workplace awards each year

**Check out
our full
award list**

How you'll grow

- Cross-functional skills development & custom learning pathways
- Milestone training programs aligned to career progression opportunities
- Internal mobility paths that empower growth via s-curves, individual contribution and role expansions

Hybrid working model
