

Business Technology Solutions Associate

Pune | Gurugram

ZS is a place where passion changes lives. As a management consulting and technology firm focused on improving life and how we live it, we transform ideas into impact by **bringing together data, science, technology** and **human ingenuity** to deliver better outcomes for all.

Here you'll work side-by-side with a powerful collective of thinkers and experts shaping life-changing solutions for patients, caregivers and consumers, worldwide. ZSers drive impact by bringing a **client-first mentality** to each and every engagement. We partner collaboratively with our clients to develop custom solutions and technology products that create value and deliver company results across critical areas of their business. Bring your curiosity for learning, bold ideas, courage and passion to drive life-changing impact to ZS.

Where
passion
changes
lives

Business Technology Solutions Associate

What you'll do

Associates in the **Business Technology Solutions** group collaborate to design and implement scalable strategies, assets and accelerators that deliver enterprise-wide transformation. Working at the intersection of data, domain, technology, and AI, you'll learn to apply new tools and methodologies that enhance processes and create impactful client solutions. The role involves developing, testing, and deploying technology solutions, managing project deliverables, and ensuring effective communication and risk management throughout the project lifecycle.

What you'll bring

- Bachelor's degree with specialization in Computer Science, IT or other computer related disciplines
- Familiarity with Big Data Concepts and Cloud Platforms like AWS, Azure, and Google Cloud Platform
- Understanding of productivity tools such as co-pilot and SQL generation
- English fluency (fluency in at least one European or Asian language desired)
- Passion and self-drive for learning new tools, technologies, programming languages, domain and client's issue areas
- Ability to articulate results and issues to project teams
- Client-first mentality
- Intense work ethic
- Collaborative spirit and problem-solving approach
- Ability to travel domestically and internationally

A great place to work

We earn multiple workplace awards each year

our full
award list

How you'll grow

- Cross-functional skills development & custom learning pathways
- Milestone training programs aligned to career progression opportunities
- Internal mobility paths that empower growth via s-curves, individual contribution and role expansions

Hybrid working model

ZS is committed to a **Flexible and Connected** way of working. ZSers are on-site at clients or ZS offices three days a week. Combined flexibility to work remotely two days a week is also available. The magic of ZS culture and innovation thrives in both planned and spontaneous face-to-face connections.

Benefits

ZS is committed to supporting all aspects of your wellbeing, including your **health**, **financial** and **personal** wellbeing.
